AUDITOR'S REPORT TO THE MEMBERS OF EXCELLENT WORLD FOUNDATION

Report on the audit of financial statements

Opinion

In our opinion, the accompanying financial statements present *a true and fair view of* the financial position of Excellent World Foundation ("the Foundation") as at 31 December, 2022, and *of* its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies and Allied Matters Act and the Financial Reporting Council of Nigeria Act.

We have audited the financial statements of the Foundation, which comprise the statement of financial position as at 31 December, 2022, and the statement of Income and Expenditure and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Going Concern

The Foundation's financial statements have been prepared using the going concern basis of accounting. The use of this basis of accounting is appropriate unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. As part of our audit of the financial statements, we have concluded that management's use of the going concern basis of accounting in the preparation of the company's financial statements is appropriate. Management has not identified a material uncertainty that may cast significant doubt on the entity's ability to continue as a going concern, and accordingly none is disclosed in the financial statements. Based on our audit of the financial statements, we also have not identified such a material uncertainty. However, neither management nor the auditor can guarantee the Company's ability to continue as a going concern.

Responsibilities of Trustees and Those Charged with Governance for the Financial Statements

The Trustees are responsible for the preparation of the financial statements in accordance with the International Financial reporting standards and the requirements of the Companies and Allied Matters Act and the Financial Reporting Council of Nigeria Act and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on other legal and regulatory requirements

The Companies and Allied Matters Act require that in carrying out our audit, we consider and report to you on the following matters. We confirm that:

- i.) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- ii.) The Foundation has kept proper books of account, so far as appears from our examination of those books and returns adequate for our audit have been received from branches not visited by us.
- iii.) The Foundation's statement of financial position, Income and Expenditure are in agreement with the books of account.
